### [Symposium on DIY Conceptualism: Make your own conceptual art!](#)

As an Analytical type, you dont want to be limited by established rules and regulations. Your inquisitive nature demands that you

everything was  
on a 45 degree  
incline... a bluff  
with a rusty  
green staircase  
leading to the  
floodplain, the

mechanic... murals on mexican  
restaurants... huge rhubarb leaves...  
broken chainlink fence... during a  
tornado warning we ducked into our  
cruddy stone basement... the bricks got  
charred during a fire... firecrackers and  
beer cans in the street... painted  
footbridge... rotting wood... telephone  
pole... picking at the chipping white paint  
off the garage... nails in the wood pile...  
broken glass... dirtywater... bare feet...  
bugs in the grass
